## **Komsan Sripavatakul, new President of the Thai Refrigeration Association**

**Brugine (Padova), September 12<sup>th</sup> 2016** – Mr. Komsan Sripavatakul, CAREL (Thailand) Co., Ltd. Managing Director, has been appointed President of the Thai Refrigeration Association (TRA) for 2016-2018. The objective of his two-year governance will be to “Enhance the Thai Refrigeration Industry, so as to be the Leader in ASEAN”.

The Thai Refrigeration Association, popularly known as “TRA”, was founded in 1992 and is the national non-profit organization representing approximately 200 members from the refrigeration industry in Thailand, including manufacturers, contractors, consultants, end-users, suppliers and related business. TRA has been actively involved in supporting its members in the enhancement and development of the refrigeration industry, bringing together people from the entire industry and giving them a central forum to help them accomplish their common goal of making progress and achieving success.

The newly-appointed president of Thai Refrigeration Association, Mr. Komsan Sripavatakul, said “It is my great honor to be appointed as President of TRA. The committee and I will continue to work, serve and connect our members to develop and sustain our thriving business community. Thailand is the ‘kitchen of the world’, and needs a lot of what the refrigeration industry has to offer, such as cold rooms, supermarkets, showcases, bottle coolers, ice machines, etc. Therefore, TRA intends to play a crucial role in leading the refrigeration industry to achieve this milestone. Finally, I would like to thank the TRA members and committees for their great support.”
